Dear applicant

Could you be part of our lovely school and lead us to a great future? If so, then we the children of St Peter and St Paul Primary School would love you to apply to be our new head teacher.

If you are kind and caring with a good sense of humour, and, if you are sporty, fair and helpful, then you may be the head teacher for us!

St Peter and St Paul's is an exciting place to learn and grow. All our teachers are creative, friendly and hardworking. We think that the children are well-mannered and well behaved. Our school offers us lots of opportunities to do lots of things to show our talents that you could help us with as part of our journey.

We look forward to showing you around our amazing school.

Yours sincerely

The School Council
