

RAINFORD
HIGH

January 2017

Dear Candidate

**TEACHER OF MATHS
Required from September 2017
MPS1 – MPS6**

Thank you for your interest in the post of Teacher of Mathematics at Rainford High. I am happy to send you an application form along with some details of the post and the school. I hope you find it of interest and will use it in preparing your application.

We seek to appoint a committed and dynamic Maths teacher who can deliver outstanding lessons across all aspects of the KS3 to KS5 curriculum. The successful candidate will be joining a forward-thinking department which provides a stimulating curriculum that enables all pupils to achieve their potential. Applicants will be expected to demonstrate a track record of high quality teaching and purposeful learning in their current teaching post or from their secondary school placements. If you are enthusiastic, motivated, with excellent classroom management and organisational skills, we hope to hear from you. Rainford High is on a journey to excellence and wants people who want to be part of that journey.

Any newly qualified candidate, if appointed, would be given strong support from the Department and from the school's very effective induction and mentoring scheme as part of our staff professional development programme.

The successful candidate will be joining a thriving Maths Department in a high achieving, oversubscribed School with 21st Century facilities and a very strong local reputation.

The school is committed to safeguarding and promoting the welfare of children. To ensure that this is achieved we expect all employees and volunteers to share this commitment and staff will be recruited and selected in line with safer recruitment policy and practice. The successful applicant will undertake an enhance DBS check.

Completed application form and supporting letter should be returned to my Personal Assistant, Mrs Jane Ledson, **by Friday, 17th February 2017.**

Yours sincerely

**Mr Ian Young
Principal**
