Curriculum Leader Science

Application Pack

Jan 2019

We're all about a warm welcome

Dear Applicant

Re: Curriculum Leader Science

Let me start by thanking you for your interest in St Cuthbert's Catholic High School. My colleagues on the Governing Body and I are delighted you are considering making an application for the post of Curriculum Leader Science.

As Headteacher at St Cuthbert's, I am so proud to lead our school as we reflect on and celebrate a year of major change and success. We are experiencing a dramatic shift in terms of ambition, aspiration and achievement. To put it in plain terms, St Cuthbert's Catholic High School is on the up, and we are excited to see how progress will continue at a pace in 2019 and beyond.

Of course, as a community of students, staff, governors and parents, we have been working towards changing our culture and vision of the school for some time, and now we are all satisfied to see that our collective achievements are being showcased and recognised by others.

In September 2016, Ofsted inspectors were so impressed with the rapid reversal of fortunes at St Cuthbert's that they handed us a **"good"** rating and concluded that ours is a **"truly inclusive school where every pupil is valued"**. Students' behaviour, student safety, and the school's **"refusal to give up on any pupil"** were among the areas coming in for praise. And we were credited for the introduction of a new curriculum, which has increased the percentage of our students progressing to sustained education, employment or training to 98%.

Ofsted said the school was now home to "an ambitious and aspirational culture" and the passion of parents was also highlighted. Inspectors noted how they had written at length to inspectors **"detailing how happy their children are and how well they are progressing"**.

St Cuthbert's has recently completed a massive capital development programme, which has seen nearly £1M invested in the school building and grounds over the last 6 years. In 2016, seven new state-of-the-art classrooms were built in the former Lindisfarne House. The classrooms, which opened in September 2016, are the new home of the Geography, History and Business departments.

I warmly encourage you to visit the school. Please contact the school office on 01744 678123, asking for Mrs Geden, to make an appointment. On behalf of the Governing Body I look forward to hearing from you and in receiving your completed application form.

Yours sincerely

Mrs Catherine Twist
Headteacher

Live life in all its fullness

When young people and their families work alongside school, great achievements can happen, and this has certainly been the case for many of our students at St Cuthbert's.

2018 has possibly been **the** most difficult year for GCSE students and their teachers, in terms of the challenges of the new examinations and the new gradings and therefore we are delighted that a number of our students have achieved top grades across a range of subjects.

Improvements have been made in Languages, Health & Social Care and Science and the number of students entered for an achieving the EBACC suite of qualifications has increased.

Mrs Twist, Headteacher said "At St Cuthbert's we are acutely aware that there are still improvements to be made across the board but today is about celebrating our young people and the fact that regardless of the numerical grading, we are skilling them up and giving them opportunities at colleges and work to live life in all its fullness".

Getting around St Helens

Situated on the main A580 East Lancashire Road and at the centre of the region's motorway network, St Helens is one of the best-connected towns in the country. And once you get into the town centre, parking couldn't be simpler with spaces for over 2,300 cars on our Council run car parks.

St Helens has an efficient bus network with regular services from across the region passing through the main bus station on Bickerstaffe Street, alongside the Hardshaw shopping centre and a few hundred yards away from the newly redesigned Central Railway Station. From here, there are direct rail links with nearby Eccleston, Thatto Heath and Lea Green in addition to direct train to and from Liverpool, Wigan and Manchester.

Out and about in St Helens!

In our multi-award winning Cultural Quarter we have the perfect location for our new-look arts and entertainment venues – The Citadel and Theatre Royal. The Citadel was voted by *The Independent* as one of the top ten jazz and blues venues in Britain, with theatre, dance, music and film events also on the agenda.

If you want art, then the Godfrey Pilkington Art Gallery and the World of Glass museum are the places for you, giving you a flavour of the town's industrial heritage and history. As is the North West Museum of Road Transport with the largest collection of old buses in the country – especially if you have kids.

At the heart of the town's shopping offering is Church Square, St Helens largest indoor shopping centre, with popular high street stores amongst the many shops.

Outside of town is Ravenhead Retail Park on the Linkway, where you will find some of the larger retailers, conveniently situated in one place. While St Helens Retail Park may offer the same but it also houses a number of independent and discount stores.

When it comes to eating out, St Helens town centre has many restaurants appealing to all tastes and budgets from café bars and coffee shops to international and traditional British cuisine. Or if you are simply looking for a place to enjoy a few drinks, we have the traditional pubs with many serving real ale, modern bars and clubs in and around the town centre, with the biggest concentration of eating and drinking establishments on Bridge Street and Westfield Street

In the Area

St Helens excellent communication links offer a gateway for you to explore the local area, and there's loads to do nearby with Knowsley Safari Park right on our doorstep. And if you want countryside, then we have loads with Sankey Valley Country Park, Billinge Hill and Carr Mill Dam on the edge of the town. Venturing further out of town, the splendour of Knowsley Hall will impress you with its 2,500-acre scenic parkland that resembles a scene from *Brideshead Revisited*.

On the edge of the town we have the product of "The Big Art Project", an ambitious public art commissioning initiative from Channel 4, supported by Arts Council England, the national development agency for the arts, and The Art Fund, the UK's leading independent art charity.

Dream has generated worldwide media coverage for St. Helens, and was awarded the prestigious Marsh Sculpture Prize for the best public sculpture of the year, plus 8 other awards. It is attracting tens of thousands of additional visitors to the site and surrounding region every year.

When it comes to Sport, there can only be one in the town: rugby league!

In St Helens we are fanatical about the game and with some justification because, the 'Saints' are the most successful Super League team in history, and having just taken delivery of a fabulous new stadium, who can blame us?

If you love football, then all of Liverpool and Manchester's grounds are within 40 minutes travelling time from the town centre.

Our leisure facilities are second to none with 4 state of the art, council run, leisure centres, golf course and driving range, as well as private clubs in the area, you won't be lost for something to do!
