5th April 2019

Dear Applicant,

Thank you for your interest in the post of Assistant Head teacher at St Peter's C of E Primary School, Newton Le Willows. This is an extremely exciting time to join the team of staff and senior leaders, as we continue to rapidly improve and enhance the educational experiences within the school.

In September 2018 I was privileged to take up the role as Head Teacher of this outstanding school. St. Peter's first started educating pupils in 1860. It has a fantastic reputation amongst a diverse socio economic community. The links with St Peter's Church are very strong and the Canon is a weekly visitor who is known by all the children. In November 2018, we were one of the first schools to be inspected under the new SIAMS framework and achieved the top rating of, 'Excellent.' The relationship between the Governing Body and the school is also very strong and we continue to strengthen this. We have a very active PTA who provide a wide timetable of events and fund raising activities.

This post has arisen due to the current Assistant Head Teacher, who is head of Early Years and Key Stage 1, moving to a school abroad.

We are seeking to appoint someone who can bring outstanding leadership qualities and evidence of real and sustained positive impact in their current post; to enable St Peter's to continue on our journey of continuous and rapid improvement. A key element of the Assistant Head role will centre on teaching and learning, EYFS and Key Stage 1. With this in mind, it is important that the successful candidate is an outstanding classroom practitioner who is able to support others in raising the standard of their own practice within the classroom from Reception to Year 6.

Our mission statement is, 'The child grew strong in body, mind and spirit'. We have wonderful children in our school and they all know this statement. We devote our time to ensure that each child leaves St Peter's ready for the next step into high school; they should be well educated, confident in their own ability and make decisions based upon the Christian values which they have acquired during their time in school.

As a Head teacher, I am constantly looking for excellence in all we do, from the way a child walks down a corridor to the delivery of outstanding classroom practice. As a senior leader I would look for the Assistant Head Teacher to demonstrate excellence and drive this vision as we strive to improve on current progress and outcomes by the end of Key Stage 2. Current priorities within the school centre on improving outcomes and progress for pupils, raising the quality of teaching and learning and developing leadership at all levels. Being part of a small leadership team, this will be a demanding but also rewarding role as we lead the school in a positive direction.

St. Peter's

Church of England Primary School

Head Teacher:

If you are hard working, dedicated to making a difference to children's learning, keen to take on a challenge and go that extra mile; then this could be the post for you. Visits to school are welcomed, so if you think this could be your next career step, please give me a call to arrange a visit or seek further information.

Kind Regards,

Paul Robinson
Headteacher
