

February 2015

Dear Candidate

**TEACHER OF PHYSICS
KS3, GCSE and A-Level**

Thank you for your interest in the post of Physics teacher in this school.

We seek to appoint a committed and dynamic Physics teacher who can deliver outstanding lessons across all aspects of the KS3 to KS5 curriculum. The successful candidate will be joining a forward-thinking department which provides a stimulating curriculum that enables all pupils to achieve their potential. Applicants will be expected to demonstrate a track record of high quality teaching and purposeful learning in their current teaching post or from their secondary school placements. If you are enthusiastic, motivated, with excellent classroom management and organisational skills, we hope to hear from you.

Any newly qualified candidate, if appointed, would be given strong support from the Science Department and from the school's very effective induction and mentoring scheme as part of our staff professional development programme.

The school is committed to safeguarding and promoting the welfare of children. To ensure that this is achieved we expect all employees and volunteers to share this commitment and staff will be recruited and selected in line with safer recruitment policy and practice. The successful applicant will undertake an enhance DBS check.

Completed application form and supporting letter should be returned to my Personal Assistant, Mrs Jane Ledson, **by Tuesday, 24th March 2015.**

Yours sincerely

**Mr Ian Young
Principal**
