Dear Applicant

Thank you for your interest in the position of Head Teacher at Brook Lodge. Should you choose to take the next step and apply you will find an excellent opportunity to be part of a great school and lead a team of excellent staff, working with the governing body to take Brook Lodge on to 'Outstanding'.

It is with great regret that I am moving on from Brook Lodge to take up a new Headship post at a large three form entry primary school in Knowsley, and the decision to take this step was not an easy one! I will be leaving behind a wonderful group of children at the school who never cease to amaze me with their manners, courtesy, ideas, determination and hard work. The teaching and support staff in school are a superb team, working together and supporting each other to ensure that our children get the best learning experience possible. Parents want the very best for their children and support the school very well. Our governors are supportive, knowledgeable and challenging, working hard with the school to support us in our journey to outstanding.

From beginning at Brook Lodge in 2007 as Deputy Headteacher and then moving up to the role of Head Teacher in 2010, I have enjoyed excellent support of my professional development. The staff at Brook Lodge are a great team who respond well to distributed leadership and taking responsibility for moving the school forward. If you are successful you will take on the leadership and management of a wonderful team of adults and children who all want to succeed. I wish you all the very best with your application!

Kind regards

Mr S Hanley
Head Teacher
