Dear Applicant

We are delighted that you are interested in applying for the position of head teacher at Holy Cross Catholic Primary School.

Sadly, our highly respected, inspirational and highly motivated head teacher is retiring after 10 years dedicated service to our school.

We wish to appoint someone with those same strengths and values; an enthusiastic practising Catholic who will build on our improvements and continue to take our school forward.

We have a totally committed staff group. A recent supply teacher who has worked all over the world made some of the following comments in a letter to school.

'What a great team you are, I have enjoyed working with you all. The generosity of time, professionalism, friendliness and kindness show what a good group of people you are. The children are lucky to have such dedicated and caring adults around them. What you are doing is really special.'

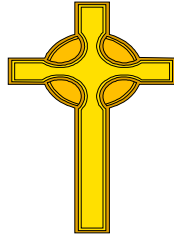

Our recent section 48 Archdiocesan report May 2018 stated:

- 'The quality of provision for the Catholic life of the school is **outstanding**.'
- 'The behaviour of pupils is exemplary; they are polite and well-mannered.'
- 'The school is a supportive joyful community.'
