RE Department

The RE department is a well-established, innovative, creative and successful department. It consists of 3 full time members of staff which form the core RE department. The department works effectively and has a shared philosophy which is a commitment to living our college mission statement and developing all pupils not just academically. We are looking for enthusiastic and commitment person to join our team.

The department is very well resourced with 3 main classrooms and a Chapel all suited together. The department also has its own Teaching Assistant.

Learners at KS3 follow the approved syllabus of the Archdiocesan; ICONS. At KS4 learners study Unit 3 Religion and life based on Roman Catholic Christianity and Unit 8 Religion and Society based on Christianity and Islam from Edexcel. Learning is innovative and creative using a variety of methods including twitter and QR codes. Learners are taught in ability groups. The department is committed to developing outstanding teaching and learning and to raising the achievement of all its students. The department work well as a team who share good practice and plan together regularly.

The department provides various extra curricula opportunities for learners including a weekly RE:Treat club after school. There are also opportunities to take part in residential RE:treats to the Lake District. The department also organising various cinema and bowling trips throughout the year.

The department is central to the collective worship provision within school, taking the lead on liturgical events and assemblies. The department also provides daily resources for all staff and learners to use during the school's Sacred Time.
